**Vice President**

**Recognizing that:**

- This conference is November 6-8 in Zaragoza, Spain.
- Both Katie Ginter and Andrew Bair have been invited to go. They have been raising money for this through their own fundraising. They have raised \$650 already and are actively working to raise more money. Their goal is \$1200.
- They have contacts in Spain for a free place to stay and have been given buddy passes for the plane trip over.
- Both Katie and Andrew have been very active in the Prolife movement here on campus. Katie is currently president of Students for Life and Andrew is vice president. This conference will be a great opportunity to further their involvement in this prolife movement as well as developing contacts within the national and world prolife movement.
- Both Katie and Andrew speak Spanish fluently.

- All unused funds will be returned to the FUSA contingency fund.
