**Vice President**

**Recognizing that:**

- The department had a very cheap camera that broke last year and this was the one item that everyone in the department wanted.
- Every student needs to do at least four filmed counseling sessions to graduate. Students must do at least one filmed counseling session for Practicum, Internship I and II and one for Marriage and Family therapy. Some students must do even more.
- There are about 50 students in the department right now.
- All unused funds will be returned to the FUSA contingency fund.
