Recognizing that:

- Dr. Kreeft is professor of philosophy at Boston College and a prolific author of 64 books and counting. He has written on topics that include Thomas Aquinas, Heaven, Suffering, Surfing, Abortion, and Lord of the Rings.
- He will deliver a talk at 9:00pm on Thursday, April 15th and at 11:00am on Friday, April 16th. The first talk will likely concentrate on the importance of philosophy for the average person, and the topic for the second talk has not yet been determined.
- The purpose behind this invitation is to offer a famous and witty Catholic philosopher's perspective on a topic that students often find boring.
- All unused funds will be returned to the FUSA contingency fund.
