Recognizing that:

- Billy has played a very active role in College Republicans over the past two school years, which will help FUSA to better serve its purpose as a promoter of student clubs and organizations.
- He will bring a veteran's perspective to the bench, as he is currently a junior who has studied in Austria.
- He is also an aspiring law student, and the role of the FUSA justice requires an understanding of rules and regulations.
- Billy is able to attend all meetings, work with clubs and students, and is committed to giving priority to FUSA throughout the semester.
