Be it resolved by the Franciscan University Student Association that:
FUSA condemns the widespread practice of graffiti in campus classrooms.

APPROVED

President

Vice President

Recognizing that:

- Graffiti is a problem around campus that shows no signs of slowing down.
- Graffiti is not just limited to the old desks; even the new desks are being vandalized.
- Vandalized desks give off a very negative view to guests of the University, especially to “come and see-ers.”
- Students may behave more professionally in class if they are in a more professional atmosphere.
