Be it resolved by the Franciscan University Student Association that: The FUSA constitution be amended to read as follows (see attached document).

APPROVED

President

Vice President

Recognizing that:

- The name FUSA is unspecific. It could refer to any association of students. Changing the name to “Franciscan University Student Government” will help students and current as well as prospective FUSA members understand what our association is.
- If our name is “Student Government”, the student body will already be familiar with who we are and what we do. With the name FUSA we are not drawing on that familiarity, but have to generate a whole new familiarity by advertising.
- There are ambiguities and errors in the current constitution which should be amended, especially in Article III.
- Passage of this bill requires 2/3 approval of the FUSA Senate, ballot approval by the student body during the spring election, and the signature of the President of the University.
