Vice President

Recognizing that:

- Participating students will be given a chance to present their research to a board of psychology professionals and will also have a chance to defend their research.
- The attendance of and participation in this event would not only improve the reputation of the Franciscan University Psychology Department, but would also give an opportunity to the participating students to demonstrate their excellence in the field.

- Participation in this event would also provide an outstanding opportunity for the psychology students to improve their respective resumes.
- In summary, this would be an exceptional extra-curricular activity for psychology students to further their learning and to prepare them for further academia and real world professional application of their knowledge and skills.
- All unused funds will be returned to the FUSA Contingency fund.
