APPROVED

President

Vice President

Recognizing that:

- The constitution of True Love and Responsibility has received approbation from the Dean of Students, in compliance with V. C. 2. of the FUSA By-laws.
- True Love and Responsibility is a Student Life approved organization.
- True Love and Responsibility seeks to “instill amongst Franciscan University students a recognition of the importance of sexual integrity in their current livelihood, noting ‘that stable marriages and families and the moral character they cultivate, are best supported by a commitment to the integrity of sex and to the healthy sexual attitudes and behaviors that honor that integrity,’” through fostering dialogue, discussion and debate among students.
- True Love and Responsibility hopes to bring in at least one speaker or co-sponsor each academic year.
- True Love and Responsibility also receives partial funding from Love and Fidelity, which is used as a networking organization that also helps to sponsor other groups on other campuses to promote the cause. Love and Fidelity offers sponsorship in conjunction with schools to promote these

organizations. Love and Fidelity is not solely Catholic, providing more than just Catholic arguments, giving students confidence in their position.

- Dr. Lee head of the Bioethics Department will be their adviser.
- If this bill is approved, True Love and Responsibility will be eligible to receive a budget from FUSA for each semester, including fall 2010, in addition to any further assistance carried by FUSA sponsorship.
