Vice President

Recognizing that:

- This trip takes place on April 11th, 2010.
- It will give Biology Club members a chance to partake in an off campus event pertaining to the mission of the club.
- Phipps Conservatory's mission is to inspire and educate visitors with the beauty and importance of plants; to advance sustainability and worldwide biodiversity through action and research; and to celebrate its historic greenhouse.
- Biology Club will advertise with flyers around campus and will put messages in all the biology professor's mailboxes.
- Students in the Biology Club are both biology and non-biology majors.
- All unused funds will be returned to the FUSA contingency fund.
